

Zero Damage Plan (ZDP)

When you rent a vehicle from Cruise America or Cruise Canada, you are responsible for any and all loss or damage to the vehicle from any cause regardless of fault to a maximum of \$2,500 per occurrence.

When you purchase our Zero Damage Plan (ZDP), which is not insurance, you are relieved of the financial responsibility if the rented vehicle is damaged or stolen.

Benefits of Zero Damage Plan:

- Covers all vehicle damage to rented vehicle provided that the renter is not in violation of the Rental Agreement.
- No need to file a claim with your personal auto insurance.
- No deductible for you to pay Cruise America or Cruise Canada.

ZDP does not apply if: (1) the renter uses the vehicle in violation of the rental agreement; (2) the renter fails to remove the keys or lock all doors and close windows and the vehicle is stolen; (3) the renter fails to notify us and the police immediately after loss; and (4) the renter fails to pay charges under the Rental Agreement; or (5) as allowed by the applicable state or provincial law.

Before deciding whether to purchase ZDP, the renter may wish to determine whether their own vehicle insurance provides coverage for rental vehicle damage or loss and determine the amount of deductible under their own insurance policy.

ZDP is not insurance.

The purchase of ZDP is not mandatory and is optional. You need to accept or decline the plan.
